

Pre-Kindergarten Registration Week for September 2017

Please call the school the week of February 6th - 10th to pre-register your child for Kindergarten this fall if your child will be turning 5 before or on December 31, 2017. You do not need to come to school to do so, as this is simply gathering the basic demographic and contact information which will be used to contact you regarding the Registration/Assessment appointment to follow in May.

If you do not have your child's birth certificate or Manitoba Health Card, please apply for them now, as they will be required at the time of registration in May.

There may be families that might not receive this information through the school, so we would be very appreciative if you would pass this information on to them.

We are looking forward to hearing from you!
